

CVS/pharmacy. He is also an attorney and teaches law at Auburn University to 4th year pharmacy students. He explained that pharmacy laws differ from state to state and the way one pharmacist has been practicing for thirty (30) years might not necessarily be within the law. He recommended that the candidates become familiar with the Alabama Department of Public Health's Prescription Drug Monitoring Program (PDMP). Register and use the program to monitor patients and practitioners that might be diverting, abusing or misusing controlled substances. We rather you know if you are doing right. If something does not feel right, don't hesitate to call the Board office or even one of the Board Members.

Asking for questions from the candidates for licensure, there was one question if by obtaining a license starting this month, would candidate have to renew next month AND pay the renewal fee. **PRESIDENT CONRADI** asked the candidate if she was planning on practicing in Alabama before the first of the year and she said yes. Therefore, she will have to get a license for 2013/14 and renew it for 2015/16. The interviews concluded with **PRESIDENT CONRADI** welcoming each candidate to Alabama.

On a motion by **MEMBER BUDDY BUNCH**, second by **MEMBER DAVID DARBY** and a vote of ALL AYES, Alabama licensure was granted to the one (1) candidate for pharmacist licensure and she may pick it up before she leaves.

At 11:48 a.m., the Board Meeting adjourned.

He was appointed to the Board by Alabama by Governor Robert Bentley and represents the institutional practice of pharmacy. He informed the candidates that theft or pilferage occurs at a very high rate in the pharmacy profession as well as nurses and physicians. He informed the candidates of the Board of the Pharmacy Wellness Program and of the tremendous job of the Program's Administrator, Dr. Mike Garver. ALBOP currently has 226 pharmacists/techs/students that are in a step of active recovery in the Wellness program. He encouraged the candidates if there ever came a time when they worked with a pharmacist or technician or if they themselves felt impaired, to contact Dr. Garver.

MEMBER BUDDY BUNCH introduced himself and informed the candidates that he was a community pharmacist and began his second year on the Board in January. He began work with Harco Pharmacy in 1980 and in 1997 opened his own pharmacy, Bunch Pharmacy, in Guntersville, Alabama. He was appointed by Governor Robert Bentley as a representative of independent pharmacy. He advised the candidates 'don't get into bad habits'. If you go to work for someone who has been practicing pharmacy for a long time and feel that they are violating any law or rule of the Board of Pharmacy, directly contact a Board Member or the Board Office for clarification. Don't follow their bad habits. It's time to make changes.

PRESIDENT CONRADI informed the candidates that he is a chain pharmacist appointed by former Alabama Governor Bob Riley and is serving his second term on the Board which will expire on December 31, 2014. He has worked in various fields of pharmacy including independent pharmacy, home infusion, nursing homes and hospitals. He instructed the candidate to revisit the Supervising Pharmacist Rule, 680-X-2-.12, to obtain a greater awareness of the increased responsibilities and expectations placed on the Pharmacist in Charge in the event that a candidate is offered and accepts this position. Be sure to look through not only the laws, but the facilities anticipations of a PIC. Know that as a Supervising Pharmacist, you hold the control and the liabilities of the pharmacy, not corporate and not the owner. Become involved in national/state/local pharmacy associations. Know what is going on in your profession. Participate by paying your dues and becoming active to insure the practice of pharmacy continues to move forward. Pharmacy is a profession; not just a job.
