Auburn University. He has lived in Andalusia approximately thirty (30) years and currently he and his wife, who is also a pharmacist, opened their first pharmacy in 1997 and their second a couple of years ago. Prior to owning his own pharmacies, he worked as a District Manager for Harco Pharmacy before it sold to another chain pharmacy. He advised the candidates of the various types of drug diversion cases that the Board hears on the Tuesdays before the business/interview meetings on Wednesday. The diversion can range from the pharmacy employee placing drugs in the pockets of their smocks to being carried out with the trash to be picked up by another individual. Be aware! Spend a significant portion of your time knowing what's going on in your environment

TREASURER BUDDY BUNCH introduced himself and informed the candidates that he was a community pharmacist and began his second year on the Board in January. He began work with Harco Pharmacy in 1980 and in 1997 opened his own pharmacy, Bunch Pharmacy, in Guntersville, Alabama. He was appointed by Governor Robert Bentley as a representative of independent pharmacy. He advised the candidates 'don't get into bad habits'. If you go to work for someone who has been practicing pharmacy for a long time and feel that they are violating any law or rule of the Board of Pharmacy, directly contact a Board Member or the Board Office for clarification. He discussed the Board's enhanced website and spoke briefly of the Q&A section which should answer some questions most commonly presented to the Board Office for clarification. It is easier to ask for permission than forgiveness. Ask questions!

MEMBER DONNA YEATMAN introduced herself as the newest board member as the chain representative, and informed the candidates of her position as a district manager with CVS. She informed the candidates that it is a privilege to practice pharmacy, and to uphold good moral character. She told the candidates about the make-up of the board, and to be sure to read and understand the laws that apply to practice, especially those seeking reciprocity that would be in a supervisory position.

ATTORNEY JIM WARD explained that the board existed to protect the public of Alabama, and did not exist to protect pharmacists in Alabama. He advised the candidates to "not be dumb" in practice, or they may end
