OFFICIAL:  
FOR THE ALABAMA STATE BOARD OF PHARMACY:

  
DAN MCCONAGHY, RPh, President

  
SUSAN ALVERSON, RPh Secretary

**VICE PRESIDENT TIM MARTIN** introduced himself as the hospital representative on the board, and informed the candidates that he is the director of pharmacy for the DCH health system in Tuscaloosa, AL. He advised the candidates to not be a statistic in drug diversion, and to be vigilant of coworkers that may be diverting drugs. He informed the candidates of the board's Wellness Program, and encouraged anyone facing a drug problem to seek help.

**TREASURER BUDDY BUNCH** introduced himself and informed the candidates that he was a community pharmacist and began his second year on the Board in January. He began work with Harco Pharmacy in 1980 and in 1997 opened his own pharmacy, Bunch Pharmacy, in Guntersville, Alabama. He was appointed by Governor Robert Bentley as a representative of independent pharmacy. He advised the candidates 'don't get into bad habits'. If you go to work for someone who has been practicing pharmacy for a long time and feel that they are violating any law or rule of the Board of Pharmacy, directly contact a Board Member or the Board Office for clarification. He discussed the Board's enhanced website and spoke briefly of the Q&A section which should answer some questions most commonly presented to the Board Office for clarification. It is easier to ask for permission than forgiveness. Ask questions!

**MEMBER DAVID DARBY** introduced himself, informed the Candidates that he was a graduate from Auburn University. He has lived in Andalusia approximately thirty (30) years and currently he and his wife, who is also a pharmacist, opened their first pharmacy in 1997 and their second a couple of years ago. Prior to owning his own pharmacies, he worked as a District Manager for Harco Pharmacy before it sold to another chain pharmacy. He advised the candidates of the various types of drug diversion cases that the Board hears on the Tuesdays before the business/interview meetings on Wednesday. The diversion can range from the pharmacy employee placing drugs in the pockets of their smocks to being carried out with the trash to be picked up by another individual. Be aware! Spend a significant portion of your time knowing what's going on in your environment
